Mission/Vision

How does the project connect with the Commission's Mission/Vision?

The lesson goal itself is to introduce discrimination, diversity, equity and the importance of treating everyone fairly which is directly based on our mission/vision.

How does the project connect with the City's Vision?

"...building a greater community now and for the next generation."

This outreach project connects to the City's Vision in that it is proactive and geared toward the youth in our community.
