Description of Agenda Item: PUBLIC HEARINGS
An ordinance amending Chapter 74 of the Municipal Code, Citizen Review Board section 74.02, to consider diversity in lived experience rather than race as a factor in appointing members.
CIP/DID # CM005-20

EnvisionCR Element/Goal: StrengthenCR Goal 4: Create a city that is affordable and accessible to all members of the community.

Background: The current Citizen Review Board (CRB) ordinance requires five members of the CRB be individuals who identify as people of color. Approximately five months after adoption of the current ordinance, a lawsuit was filed challenging the ordinance and requesting the Court issue a preliminary injunction preventing the City from enforcing the provision of the ordinance that requires five members of the CRB be individuals who identify as people of color. The City defended the ordinance in court, but the injunction requested in the lawsuit was granted. The proposed amendment focuses on securing a diverse CRB based upon lived experiences rather than race.

Action/Recommendation: Staff recommends approving the ordinance.

AN ORDINANCE AMENDING THE CEDAR RAPIDS MUNICIPAL CODE CHAPTER 74 SECTION 74.02 CEDAR RAPIDS CITIZEN REVIEW BOARD

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CEDAR RAPIDS, IOWA, as follows:

Section 1. The Cedar Rapids Municipal Code is amended by revising Section 74.02(A)(1) as follows:

74.02 CEDAR RAPIDS CITIZEN REVIEW BOARD.

(A) The Cedar Rapids Citizen Review Board is hereby created. The Mayor shall appoint the members of the CRB, with the advice and consent of the City Council. The CRB will consist of nine (9) voting members who shall serve without compensation.

(1) Members shall be appointed in accordance with the following:

a. **Membership Composition.**

i. A minimum of three (3) members will be selected from applications submitted by the general public and who are not identified on their application as affiliated with a group or service provider as provided below;

ii. A minimum of three (3) members will be selected from applicants who identify on their application that they are employed by, or an active volunteer in a group with a designation pursuant to Iowa Code Section 501(c)(3) (2020), as amended from time to time, and that is focused on advocacy of, and racial justice for, underrepresented residents of Cedar Rapids. No more than one (1) applicant affiliated with a group may be appointed unless there are insufficient applications eligible for appointment pursuant to this paragraph. Examples of organizations carrying this designation include, but are not limited to: NAACP (National Association for the Advancement of Colored People), LULAC (League of United Latin American Citizens), Iowa Asian Alliance, ASJ (Advocates for Social Justice), and United We March Forward.

iii. A minimum of two (2) members will be appointed by the Mayor from applicants who identify on their application that they are employed by, or are an active volunteer with a service provider that works with residents of Cedar Rapids in the areas of mental health, physical health, homelessness, food insecurity, youth advocacy, alcohol and other drug abuse, and/or similar social issues. No more than one (1) applicant affiliated with a service provider may be appointed unless there are insufficient applications eligible for appointment pursuant to this paragraph. Examples of organizations meeting this requirement include, but

are not limited to: United Way, a United Way funded service provider, and NAMI (National Alliance on Mental Illness).

b. **Professional Membership Composition**. At least one (1) member appointed to the Board must be an attorney licensed to practice law in the state of Iowa. This member may not serve as legal counsel for the CRB.

c. **Diversity in Composition.** In appointing members to the Board, the Mayor and City Council shall ensure that members represent a diversity of age, socioeconomic status, gender, geographic residence, and work experience. The Mayor and City Council shall further strive to include members from a diverse background, including but not limited to:

i. Persons who are African American, Arab, Asian, Black, Hispanic, Native American/Indigenous, Native Hawaiian/Pacific Islander and/or from the LGBTQ+ or disability community.

ii. Persons with lived experience with homelessness, mental health, and/or substance abuse.

iii. Persons with an arrest/conviction record.

Section 2. It is the intention of the Council that each section, paragraph, sentence, clause, and provision of the Ordinance is separable and, if any provision is held unconstitutional or invalid for any reason, such decision shall not affect the remainder of this Ordinance nor any part thereof than that affected by such decision.

Section 3. All ordinances or parts of ordinances in conflict herewith are repealed.

Section 4. This Ordinance shall be in full force and effect from and after its passage and publication as provided by law.

Description of Agenda Item: PUBLIC HEARINGS
A public hearing will be held to consider approval of an ordinance establishing the Cedar Rapids Central Reinvestment District pursuant to Iowa Code Chapter 15J (Caleb Mason). CIP/DID #CM001-21

a. First Reading: Ordinance establishing the Cedar Rapids Central Reinvestment District. CIP/DID #CM001-21

EnvisionCR Element/Goal: InvestCR Goal 3: Reinvest in the city's business corridors and districts.

Background: The action sets a public hearing to consider approval of an ordinance to establish the Cedar Rapids Reinvestment District. On February 9, 2021, City Council approved a resolution authorizing submittal of a proposed district plan under the Iowa Reinvestment District Act for Cedar Rapids. The City of Cedar Rapids received provisional approval of its pre-application June 23, 2021, including a provisional maximum benefit amount of $9 million. Pursuant to program requirements, the City then submitted a final application to IEDA as authorized by Resolution 0163-02-22 passed on February 22, 2022. On July 22, 2022, the IEDA Board gave final approval to a $9 million dollar award and accompanying plan for the Cedar Rapids Central Reinvestment District. The establishment of a Reinvestment District adds a new source of funds to support redevelopment at First & First West and two City projects, mixed-use pump station/festival grounds project, and the River Recreation project along 1st Street SE and the Cedar River.

Action/Recommendation: City staff recommends approval of resolution.

Description of Agenda Item: PUBLIC HEARINGS
A public hearing will be held to consider a change of zone for property located at 900 3rd Street SE from U-NG, Urban Neighborhood General to remove the Urban form district zoning classification along adjoining portions of 9th Avenue SE, as requested by DOMOV, LLC.

CIP/DID: #RZNE-033321-2022

EnvisionCR Element/Goal: GrowCR Goal 1: Encourage mixed-use and infill development.

Background: This request will be reviewed by the City Planning Commission on November 3, 2022. The Commission's recommendation will be brought forward at the public hearing.

The applicant is proposing to rezone a portion of 9th Avenue SE, from 3rd Street east to the railroad tracks, to remove the Urban Neighborhood General zone district classification. Urban form districts in the code require certain building characteristics to be built at or near the adjoining right of way. Removal of the zone district will permit greater flexibility in the design of the building along 9th Avenue SE, in particular permitting ground floor parking within 25 feet of the right of way line.

The request is to facilitate development of a five story mixed use development with 185 residential units and approximately 10,500 square feet of leasable commercial space along 3rd Street. Staff is recommending conditions of approval on the rezoning ordinance to ensure

1. Streetscape and building design facing 9th Avenue SE will meet the design standards for the overall district.
2. Applicant will demonstrate that future conversion of the first floor to usable space is feasible.
3. A pedestrian path is completed at the east end of the site between 9th and 10th Streets SE.

Action/Recommendation: City staff recommends adoption of the ordinance on its first reading.

RESOLUTION NO. LEG_NUM_TAG

RESOLUTION APPROVING AND AUTHORIZING EXECUTION OF A DEVELOPMENT AGREEMENT AND RELATED DOCUMENTS BY AND BETWEEN THE CITY OF CEDAR RAPIDS AND DOMOV, LLC

WHEREAS, the City Council previously found and determined that certain areas located within the City of Cedar Rapids, (“City”) are eligible and should be designated as an urban renewal area under Iowa law, and approved and adopted the Second Amended and Restated Urban Renewal Plan (the "Plan" or "Urban Renewal Plan") for the Central Urban Renewal Area (the "Area" or "Urban Renewal Area") by Resolution No. 1427-10-12 on October 23, 2012, which Plan, is on file in the office of the Recorder of Linn County and is from time to time amended; and

WHEREAS, the Urban Renewal Area has been designated on the basis of an “slum and blight, and economic development” pursuant to Chapter 403 of the Iowa Code (the “Urban Renewal Law”); and

WHEREAS, the Urban Renewal Law authorizes cities to make grants, loans, guarantees, incentives and financial assistance for economic development and in furtherance of the objectives of an urban renewal project and to appropriate such funds and make such expenditures as may be necessary to carry out the purposes of said Urban Renewal Law; and

WHEREAS, the City Council intends to enter into a Development Agreement (“Agreement”) with DOMOV, LLC (“Developer”) for the development of the Urban Renewal Area in accordance with the Urban Renewal Plan, (ii) it will establish conditions which attract further new investment, (iii) it will maintain and expand taxable values in the Urban Renewal Area, (iv) it will retain employment opportunities within the Urban Renewal Area and the community that might otherwise be lost, (v) it will illuminate slum and blighting in the Urban Renewal Area; and

WHEREAS, the Council has determined that the Development Agreement, which memorializes the commitment of the City and Developer with regard to the Project is in the best interests of the City and the residents thereof and that the performance by the City of its obligations thereunder is a public undertaking and purpose and in furtherance of the Plan and the Urban Renewal Law, and further, that the Development Agreement and the City's performance thereunder is in furtherance of appropriate economic development activities and objectives of the City within the meaning of Chapter 403 of the Iowa Code; and

WHEREAS, the Agreement provides that the Developer will undertake the construction of certain Minimum Improvements consisting of a 5-story mixed use building, with rooftop patio, 180 residential, market rate units 1st floor retail/commercial, surface and covered parking, and rooftop

terrace/amenity area, which Minimum Improvements requires a minimum investment of not less than $36,000,000.00 and certain job creation requirements; and

WHEREAS, the Agreement, subject to stated terms and conditions, would obligate the City reimburse 100% of the tax increments up generated by the Minimum Improvements ("TIF Reimbursements"), which reimbursements will cease upon the soonest occurring: (i) the cumulative total of the reimbursement payments equals a net present value (NPV) of $6.4 million using 6% discount rate and discounting payments to completion date or (ii) the City has made 20 consecutive annual payments. The TIF Reimbursements are payable solely and only from portion of the Developer Tax Increments derived from the property taxes paid and received by City into the Consolidated Central Urban Renewal Tax Increment Revenue Fund, collected from the Development Property and the Minimum Improvements constructed thereon, under the authority of Ordinance No. 79-00. The City's obligation to make the TIF Reimbursements is subject to annual appropriation, and the total amount of Developer Tax Increment to be rebated is not anticipated to exceed $12,700,000.00; and

WHEREAS, the Council has determined that entering into the Development Agreement, which memorializes the commitment of the City and Developer with regard to the Project, is in the best interests of the City and the residents thereof and that the performance by the City of its obligations thereunder is a public undertaking and purpose and in furtherance of the Plan and the Urban Renewal Law, and further, that the Development Agreement and the City's performance thereunder is in furtherance of appropriate blight remediation and economic development activities and objectives of the City within the meaning of Chapters 15, 15A and 403; and

WHEREAS, the Development Agreement, and related documents, are now ready for execution on behalf of the City.

NOW THEREFORE, BE IT RESOLVED, BY THE CITY COUNCIL OF THE CITY OF CEDAR RAPIDS, IOWA AS FOLLOWS:

Section 1. The recitals contained hereinabove are found to be true and correct and incorporated herein.

Section 2. The performance by the City of its obligations under the Development Agreement, including but not limited to, providing TIF Reimbursements be and are hereby declared to be a public undertaking and purpose and in furtherance of the Plan and the Urban Renewal Law and, further, that the Development Agreement, and the City's performance thereunder is in furtherance of appropriate economic development and blight remediation activities and objectives of the City within the meaning of Chapters 15A and 403, Code of Iowa, taking into account the factors set forth therein, and that the expenditure of public funds is commensurate with the public gains and benefits received from the Project.

Section 3. The aggregate amount of Tax Increment utilized in furtherance of the Project shall not exceed $12,700,000.00, and based upon the factors outlined in Chapter 403 of the Code of Iowa, the Council hereby determines the public gains and benefits received as a result of the Project are commensurate with the expenditure of public funds to this level.

Section 4. The form and content of the Development Agreement, the provisions of which are incorporated herein by reference, be and the same hereby are in all respects authorized, approved and confirmed, and the City Manager and the City Clerk be and they hereby are authorized, empowered and directed to execute, attest, seal and deliver them for and on behalf of the City in substantially the form and content now before this meeting, but with such changes, modifications, additions or deletions therein as shall be approved by such officers, and that from and after the execution and delivery of the Development Agreement.

Section 5. The City Manager and the City Clerk are hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Development Agreement, as executed. The City Clerk is specifically directed to record a Memorandum of Development Agreement with the Linn County Recorder's office.

Description of Agenda Item: PUBLIC HEARINGS
A Public Hearing will be held to consider the vacation and disposition of a 0.35-acre parcel of right-of-way from 3rd Street to 4th Street SE lying between 9th Avenue and 10th Avenue SE, as requested by DOMOV LLC.

First Reading: Ordinance vacating public ways and grounds of a 0.35-acre parcel of right-of-way from 3rd Street to 4th Street SE lying between 9th Avenue and 10th Avenue SE, as requested by DOMOV LLC.
CIP/DID #ROWV-033329-2023

EnvisionCR Element/Goal: GrowCR Goal 1: Encourage mixed-use and infill development.

Background: Vacation of the 20-foot wide alley between 9th Avenue and 10th Avenue SE and the south 30-foot portion of 4th Street SE is critical to maximize the redevelopment potential of the block. The vacation will allow for the construction by DOMOV LLC of the LOFTUS Mixed Use Residential and Commercial Building.

Before the City can proceed with the disposition of this real estate, in accordance with the Iowa Code, City Council must hold a public hearing providing the opportunity for public input. Subsequently, the City Council shall vote on a resolution authorizing the disposition or vote not to dispose of this City-owned property.

Action/Recommendation: The Public Works Department recommends passing a resolution to vacate and dispose of this property.

Alternative Recommendation: None

Time Sensitivity: Normal

RESOLUTION NO. LEG_NUM_TAG

WHEREAS, a notice was duly given and a public hearing held as required by law, and

WHEREAS, the City of Cedar Rapids does possess a storm sewer and drainage easement on the following described property:

2120 Wiley Boulevard SW

WHEREAS, UNION AT WILEY, LP, 409 Massachusetts Avenue, Suite 300, Indianapolis, Indiana 46205, has requested the City of Cedar Rapids vacate the public's interest in and to said easement, and

WHEREAS, the Cedar Rapids Public Works Department recommends the interest in said easement held by the City of Cedar Rapids is no longer necessary to serve the public interest and has further recommended said easement be vacated,

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CEDAR RAPIDS, IOWA, as follows:

1. The Council determines the 0.28-acre storm sewer and drainage easement at 2120 Wiley Boulevard SW as shown on Easement Vacation Exhibit, attached hereto and made a part thereof, no longer serves the public interest and said public interest and use held by the City of Cedar Rapids in and to the property herein described is hereby vacated.

2. The Council determines the fair consideration required for the aforedescribed vacation to be recording and publication fees, plus a standard $100 fee, payable to the City Treasurer.

3. The conveyance is subject to the following conditions which shall be agreed to and accepted in writing by the grantee and be binding upon the grantee, successors and assigns as follows:

    a. UNION AT WILEY, LP shall save the City of Cedar Rapids harmless from damage or injury or loss of access or diminishing of the value of improved property, under Section 364.15 of the Iowa Code as the result of the vacation of said storm sewer and drainage easement hereinbefore described to said property owner.

4. The grantee, UNION AT WILEY, LP shall pay the City Clerk all publication and recording fees associated with this easement vacation.

BE IT FURTHER RESOLVED, that this resolution shall be recorded in the Office of the Linn County Recorder and thereafter filed with the City of Cedar Rapids Finance Director.

A public hearing will be held to consider the proposed plans, specifications, form of contract and estimated cost for the FY 2023 Tree and Vegetation Removal project (estimated cost is $370,000) (**Paving for Progress**).

Resolution adopting plans, specifications, form of contract and estimated cost for the FY 2023 Tree and Vegetation Removal project.
CIP/DID #301990-30

EnvisionCR Element/Goal: GreenCR Goal 1: Be stewards for the environment, promoting economic and social growth while restoring the relationship between the city and the natural environment.

Background: The US Fish and Wildlife Service enacted its Section 4(d) rule to protect the Northern Long-Eared Bat. To comply, the City of Cedar Rapids is doing tree removals required for its 2023 construction projects during the winter to eliminate the risk of accidentally removing a tree with roosting bats during the warm season. This project will address tree and vegetation removal required for capital improvement projects.

Action/Recommendation: The Public Works Department recommends approval of the resolution to adopt plans, specifications, form of contract and estimated cost for the project.

Alternative Recommendation: The alternative to this project is to defer construction of the project until a later season, direct staff to repackage the project into multiple smaller projects or abandon the project.

Description of Agenda Item: PUBLIC HEARINGS
A public hearing will be held to consider the proposed plans, specifications, form of contract and estimated cost for the 12th Avenue SE and 2nd Street SE Roundabout (estimated cost is $1,600,000).

Resolution adopting plans, specifications, form of contract and estimated cost for the 12th Avenue SE and 2nd Street SE Roundabout project.
CIP/DID #301886-02

EnvisionCR Element/Goal: ConnectCR Goal 4: Improve the function and appearance of our key corridors.

Background: The 12th Avenue SE and 2nd Street project will construct a mini roundabout at the intersection, a new city owned parking lot and a reconstructed parking lot which is being used for construction staging. The project will reconstruct the intersection as a mini roundabout, adjust storm sewer, sidewalk/trail, parking lots and improve traffic operations at this intersection. The project will be constructed in conjunction with flood protection work on 12th Avenue SE to take advantage of the street and bridge closure. The project is scheduled for construction starting in April 2023 with completion by fall of 2023. The City will be using Tax Increment Funding (TIF) to fund the project.

Action/Recommendation: The Public Works Department recommends approval of the resolution to adopt plans, specifications, form of contract and estimated cost for the project.

Resolution adopting the proposed 2023 Golf season fees.
CIP/DID #GLF008-22

EnvisionCR Element/Goal: GreenCR Goal 2: Have the best parks, recreation and trails system in the region.

Background: Parks & Recreation Department - Golf Operations has researched golf fees from across the state of Iowa and determined a strategy to maintain its competitive pricing yet improve the operation's opportunity to increase revenues in 2023. The proposed 2023 fee schedule includes a $1.00 increase in green fees, $1.00 increase in range bucket fees & 2% increase in season pass sales. $94,441 in additional revenue is estimated based on the 2022 sales data.

Action/Recommendation: City Council adopt golf fee schedule for the 2023 season.

Alternative Recommendation: Leave fees the same as 2022 season and forfeit estimated additional revenue.

Time Sensitivity: Need for immediate action so season passes may be sold for holiday purchases, thereby increasing revenues for Golf Operations.

Resolution authorizing submittal of Annual Urban Renewal Area Report to the Iowa Department of Management reporting on activities, debt, and financial obligations within the City's Urban Renewal Areas. CIP/DID #OB163407

EnvisionCR Element/Goal: Routine business - EnvisionCR does not apply

Background: The resolution authorizes the submission of the report to the Iowa Department of Management by the December 1, 2021 deadline. A summary report is attached and the full report is on file in the City Clerk's Office.

The Urban Renewal Reporting Act of 2012 was adopted in the 2012 state legislative session. One requirement of the Act is submission of an Annual Urban Renewal Area report to the Department of Management no later than December 1 to report on previous fiscal years' activities within each Urban Renewal Area. This includes data includes:

- Bond debt issuances
- Infrastructure projects (internal transfers)
- Rebates made under Development Agreements
- Any new activities being undertaken in the URA

As this report is for the previous fiscal year (FY2021) activities, the only items being reported on are those previously approved by the City Council. There are no additional projects or obligations being approved with this report. A summary of the URA Report is attached as an exhibit to the Resolution.

Action/Recommendation: City staff recommends approval of the Resolution.

Alternative Recommendation: City Council may table and request additional information.

Time Sensitivity: Urban Renewal Reporting Act of 2012 requires Annual Urban Renewal Area Report be submitted to the Iowa Department of Management by December 1, 2021.

Resolution authorizing submittal of Tax Increment Financing (TIF) Indebtedness Certifications to the Linn County Auditor indicating the total debt incurred and tax increment revenues collected within each of the City's Urban Renewal Areas. CIP/DID #OB163407

EnvisionCR Element/Goal: Routine business - EnvisionCR does not apply

Background: Chapter 403 of the Iowa Code (the Urban Renewal Law) requires all taxing bodies that utilize Tax Increment Financing (TIF) to submit verification of funds expended and collected on an annual basis. The State provides TIF Indebtedness Certificate forms be completed and submitted to the Linn County Auditor no later than December 1 annually for the collection of increments the following fiscal year based on approved indebtedness. A TIF Indebtedness Certificate must be completed for each of the individual Urban Renewal Areas where tax increment revenues are collected and expended on previously approved projects and activities.

All of the expenditures listed in the TIF indebtedness certifications are those previously approved by the City Council. No additional obligation of additional tax revenues, new projects or activities are associated with the certifications.

The Resolution authorizes the City Clerk to sign and execute TIF Indebtedness Certificates for submission to the Linn County Auditor. The TIF Indebtedness Certifications will be submitted for each of the City's twenty-nine (29) Urban Renewal Areas which are identified in the attachments to the Resolution.

Action/Recommendation: City Staff recommends approval of the Resolution.

Alternative Recommendation: City Council may table and request additional information.

Time Sensitivity: Debt Certifications must be approved and submitted to the County by December 1, 2022.

RESOLUTION NO. LEG_NUM_TAG

WHEREAS, the City of Cedar Rapids, Iowa has twenty-nine (29) Urban Renewal Areas as outlined in Exhibit A, which all URAs provide for the collection of tax increment as provided under Chapter 403.19 of the Iowa Code; and

WHEREAS, Iowa Code Section 403.19(5) requires annual filing of a certification of indebtedness for each urban renewal area which provides for the collection of tax increments with the County Auditor in order for the City to receive said tax increment revenue in the fiscal year following the certification; and

WHEREAS, the City has incurred indebtedness through conducting activities in adoption and furtherance of the objectives of the urban renewal areas identified in Exhibit A, and TIF Indebtedness Certificates for each urban renewal area has been prepared and are now ready for approval by this City Council, and

WHEREAS, as part of the debt certification process the fund for each respective TIF district is reconciled with approved indebtedness, and in cases where increments exceed total indebtedness and no further indebtedness has been approved and certified, the City is to remit payment of excess increments to the Linn County Treasurer's Office, and

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CEDAR RAPIDS, IOWA, as follows:

1. The TIF Indebtedness Certificates are hereby approved.

2. The City Clerk, or designee, is hereby authorized and directed to sign TIF Indebtedness Certificates for the twenty-nine (29) Urban Renewal Areas, as outlined in Exhibit A, requesting that tax increments identified therein be paid to the City as provided by Iowa Code Section 403.19(2) to their respective special funds as provided under that Section.

3. The City Clerk, or other appropriate City Official, shall file said certifications with the Auditor of the County of Linn, Iowa as provided under Iowa Code Section 403.19(5) prior to December 1, 2022.

4. The City Finance Director, or designee, is authorized to remit payment of the above referenced TIF fund balances in conjunction with the TIF Indebtedness Certification process.

Description of Agenda Item: CONSENT AGENDA
Resolution establishing a Permanent Utility and Ingress/Egress Easement on City-owned 20-foot alley located northwest of the intersection of Mount Vernon Road and 14th Street SE to support and accommodate future utility development.
CIP/DID #ESCY-033362-2023

EnvisionCR Element/Goal: Routine business - EnvisionCR does not apply

Background: Establishing a 0.09-acre Permanent Utility and Ingress/Egress Easement on City-owned 20-foot alley provides a designated area for utility location to support and accommodate future development. The 20-foot alley was dedicated in 1906 on the Replat in Block 11 of Wellington Place 4th Addition to Cedar Rapids, Iowa.

Action/Recommendation: The Public Works Department recommends designating City-owned 20-foot alley located northwest of the intersection of Mount Vernon Road and 14th Street SE as a 0.09-acre Permanent Utility and Ingress/Egress Easement to support and accommodate future utility development.

Description of Agenda Item: CONSENT AGENDA
Resolution accepting the established fair market value in the amount of $200,000 for a total acquisition and allocating relocation benefits of $15,000 for the property located at 1927 Ellis Blvd NW, owned by Ruth A. Fuessley and Richard Brown in connection with the Cedar River Flood Control System West Side Protection project.
CIP/DID #3311200-00

EnvisionCR Element/Goal: ProtectCR Goal 1: Protect Cedar Rapids from flooding and other hazards.

Background: As part of the Cedar River Flood Control System (FCS), levees, walls, gates and pump stations will be constructed to protect both the east and west banks of the Cedar River from flooding similar to that which was seen in 2008. The City Council adopted the Cedar River FCS Master Plan on June 23, 2015, which includes the Time Check area.

A total acquisition with relocation is required to accommodate the proposed Cedar River Flood Control System (FCS), west side protection project. Negotiations have come to an impasse between the City and the property owner to acquire the necessary property.

Compensation amount offered of $200,000 for the total acquisition of the property is based on an appraisal of the subject property, provided by a qualified Iowa-certified appraiser and a review appraiser's recommendation hired by the City.

The City is required to provide relocation assistance under the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (Uniform Act) within the Flood Control System footprint. The owner resides at the property and will be displaced as a result of the project. Relocation benefits in the amount of $15,000 was offered and available to the property owner.

The acceptance of establishing fair market value and allocating relocation benefits is the first of two steps in passing a resolution to refer to the Linn County Compensation Commission in accordance with the eminent domain proceedings to allow the City to obtain the property. This action is an expediency to maintain the construction schedule to protect the City's project letting. If the owner is willing, the City will remain available to negotiate to reach a mutually agreeable settlement to conclude this transaction. If an agreement is executed and approved by City Council prior to convening the Linn County Compensation Commission, the eminent domain proceedings will terminate.

Action/Recommendation: The Public Works Department recommends the City Council adopt the resolution accepting the established fair market value of $200,000 for the total acquisition of the property and allocate relocation benefits in the amount of $15,000 for 1927 Ellis Blvd NW from Ruth A. Fuessley and Richard Brown required for the subject project.

Alternative Recommendation: Do not proceed with acquiring the proposed property under the eminent domain proceedings and direct City staff to abandon or reconfigure the flood control system.

Resolution directing preparation of detailed plans, specifications, form of contract and notice to bidders for the 2023 Fair Oaks Addition Pavement Reconstruction project (**Paving for Progress**). CIP/DID #3012285-00

EnvisionCR Element/Goal: ConnectCR Goal 4: Improve the function and appearance of our key corridors.

Background: The project area contains portions of 18th Street NW, Seminole Avenue NW, Cheyenne Road NW, and Sioux Drive NW, in a contiguous line from F Avenue to Yuma Court. This project includes complete roadway reconstruction, storm sewer improvements, sidewalk reconstruction in accordance with ADA requirements, and sanitary sewer repairs. The assessments will cover the cost of replacing private Orangeburg and damaged sanitary sewer services within the public right-of-way.

This action continues the proposed improvement project and the related special assessment process. A public hearing was held on October 25, 2022 and a resolution to adopt the preliminary assessment was approved.

Action/Recommendation: Public Works Department recommends adoption of the resolution directing preparation of detailed plans and specifications on or after November 8, 2022.

Alternative Recommendation: Do not approve the subject resolution. However, this action would conflict with the intent to proceed with the project as evidenced by adopting the preliminary assessment.

Background: The motion sets a public hearing to initiate a competitive proposal process to consider the disposition of the City-owned property located at 1223 1st Street SW and 1140 C Street SW (acquired in 2010), shown on page two. The City has received an inquiry to purchase 1223 1st Street SW to build single unit housing. City staff have included 1140 C Street SW in the disposition to permit collaboration in the development of these adjacent parcels.

Disposition of City-owned land must be through an open and competitive process. The City proposes to issue a Request for Proposals (RFP) soliciting proposals for the development of the property. As is normal, a review committee will be convened to review proposals and make a recommendation to City Council.

The criteria for review will include: how the project relates to relevant City plans such as the Czech Village New Bo Area Action Plan (though these parcels fall just outside the Czech Village New Bo planning area), the experience and capacity of the developer, and the financial feasibility of the project.

The zoning for 1223 1st Street SW is Traditional Residential Single Unit (T-R1), which allows for single unit development, and 1140 C Street SW is Traditional Residential Flex (T-RF), which allows for multi-unit development. The parcel was in the 2008 flood inundation area.

Action/Recommendation: City staff recommends setting the public hearing for November 22, 2022.

Alternative Recommendation: City Council may table and request additional information.

Description of Agenda Item: Motions setting public hearings
A public hearing will be held on November 22, 2022 to consider a change of zone for property located at 1602 Washington Avenue SE from T-R1, Traditional Residential Single Unit District, to P-IN, Public-Institutional, as requested by the Boys & Girls Club of the Corridor.

CIP/DID: #RZNE-033320-2022

EnvisionCR Element/Goal: GrowCR Goal 1: Encourage mixed-use and infill development.

Background: This request will be reviewed by the City Planning Commission on November 3, 2022. The Commission's recommendation will be included on the City Council cover sheet for the public hearing.

The applicant proposes construction of a 2-story facility for the Boys & Girls Club of the Corridor. The proposed structure will exceed the maximum allowable square footage for the existing residential zoning and required yard setbacks will not be provided. A rezoning to the Public-Institutional Zone District will remove these restrictions. The Future Land Use Map designation for this area is Urban Medium Intensity.

A Public Hearing to allow for public input and the First Reading of the Ordinance will be held on November 22, 2022. Two additional readings of the Ordinance by City Council are required by State law before approval of the rezoning is final.

Action/Recommendation: City staff recommends adoption of the motion setting the public hearing.

Alternative Recommendation: City Council may table and request further information.

Description of Agenda Item: Intent and levy assessments
Levy assessment - Solid Waste and Recycling - delinquent weed mowing charges - 172 properties.
CIP/DID #FIN2022-09

EnvisionCR Element/Goal: Routine business - EnvisionCR does not apply

Background:
The Finance Department is responsible for the billing and collection of charges incurred by the Solid Waste and Recycling Division to bring properties into compliance with Cedar Rapids Municipal Code Chapter 21.13, and Ordinance 046-12 (Weeds).

Between June 7 and October 23, 2022, one hundred seventy-two property owners did not submit payment for invoices issued due to a violation of the City's weed ordinance. Property owners were notified by letter that if payment was not made the charges would be levied against their property and collected in the same manner as property taxes. The levied amount totals $37,863.00

Following approval of the Special Assessment Resolution, the delinquent information will be filed with the Linn County Treasurer. This becomes a Special Assessment against the properties and has equal precedence to property taxes.

Action/Recommendation: The Finance Department recommends approval of the Resolution to levy Special Assessments.

Alternative Recommendation: Should the City Council decide not to approve the resolution, the City may not be reimbursed for work permformed by the contractor and paid for by the City.

Description of Agenda Item: Intent and levy assessments
Resolutions approving assessment actions:

a. Levy Assessment – Solid Waste and Recycling – cleanup costs – one property.

Authorize the Solid Waste & Recycling Division to Levy Assessments (to lien various properties for delinquent nuisance abatements).

(Note: The Intent to Assess Resolution was approved at the Council Meeting on September 27, 2022).

CIP/DID #SWM—015-22

EnvisionCR Element/Goal: ProtectCR Goal 3: Maintain and provide quality services to the community.

Background: The Solid Waste and Recycling Division is responsible for abating garbage nuisances on public and private property. The Solid Waste and Recycling Division also initiates the Special Assessment process whenever delinquent nuisance abatements are unpaid and after a Notice of Intent to Assess were mailed at least 30 days prior to this Special Assessment. Below are the steps taken for typical abatements:

- Initial inspection and photos taken
- Abatement letter and photos mailed out (property owner has 7 days to abate nuisance)
- Clean-up is performed by Department, if nuisance is not cleaned up after 7 days
- Invoice mailed out
- Notice of Intent to Assess (authorized by the City Council) is mailed
- Special Assessment is approved by the City Council at least thirty days after the Intent to Assess is mailed

The Notice of Intent to Assess these properties were approved by Resolution No. 1456-09-22 September 27, 2022.

Following approval of the "Levy Assessment" Resolution, the nuisance abatement information will be certified with the Linn County Treasurer. This becomes a “Special Assessment” against the properties and has equal precedence to property taxes.

Action/Recommendation: The Solid Waste and Recycling Division recommends that the Resolution to Levy Assessments be approved.

Alternative Recommendation: The City Council could decide not to assess.

RESOLUTION NO. LEG_NUM_TAG

WHEREAS, the City Council of the City of Cedar Rapids, Iowa, has heretofore passed a Resolution to assess property for the following:

NUISANCE ABATEMENTS

WHEREAS, a report of the cost of said abatements has been filed with the City Clerk and notice of assessment has been given to the property owners, now therefore

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CEDAR RAPIDS, IOWA, that there be and is hereby levied an assessment against the lots, parts of lots and parcels of ground for the amounts shown in said assessments, which invoiced listing attached is made a part of this resolution, and the names of the owners are shown thereon so far as practicable, and

BE IT FURTHER RESOLVED, that a copy of this resolution be certified to the County Treasurer in order that the said assessments may be collected in the same manner as property taxes.

EnvisionCR Element/Goal: Routine business - EnvisionCR does not apply

Background:
The Utilities Department – Water Division is responsible for the billing and collection of municipal utility bills for water, sewer, storm sewer, solid waste and recycling services provided to our customers. The Water Division initiates the Notice of Intent to Assess process whenever delinquent utility balances are unpaid; collection efforts have been ignored; and active services have been terminated. Below are the steps taken in typical situations:

- Friendly Reminder is mailed
- Final Notice is mailed
- Door Tag is placed at premise
- Services are terminated

A Notice of Intent to Assess letter is mailed (after Council approves the Resolution of Intent to Assess) to the customer and property owner giving them 30 days to pay their delinquent municipal utility bill before the resolution for special assessment is approved by City Council to lien properties.

Action / Recommendation: The Utilities Department – Water Division recommends that the Resolution for Intent to Assess various properties for deliquent municipal utility bills be hereby approved.

Alternative Recommendation (if applicable): The City Council could decide not to lien delinquent municipal utility bills by council resolution and collect the delinquent municipal bills by another process or system.

Description of Agenda Item: Intent and levy assessments
Levy assessment – Utilities – Water Division – delinquent municipal utility bills – 22 properties.
CIP/DID #WTR092722-01

EnvisionCR Element/Goal: Routine business - EnvisionCR does not apply

Background: The Utilities Department – Water Division is responsible for the billing and collection of municipal utility bills for water, sewer, storm sewer, solid waste, and recycling services provided to our customers. The Utilities Department – Water Division initiates the Special Assessment process whenever delinquent utility balances are unpaid; collection efforts have been ignored; and active services have been terminated. After Council approves the Intent to Assess resolution, a Notice of Intent to Assess letter is mailed to the customer at least 30 days prior to this Special Assessment.

Below are the steps taken in typical situations:

- Friendly Reminder is mailed
- Final Notice is mailed
- Door Tag is placed at premise
- Services are terminated
- Notice of Intent to Assess Resolution is approved by the City Council and a letter is mailed to the customer and property owner
- Special Assessment Resolution is approved by the City Council at least thirty days after the Intent to Assess letter is mailed

The Notice of Intent to Assess the properties was approved by City Council Resolution No. 1458-09-22 on September 27, 2022.

Following approval of the "Special Assessment" Resolution, the delinquent municipal utility information will be certified with the Linn County Treasurer. This becomes a “Special Assessment” against the properties and has equal precedence to property taxes.

Action/Recommendation: The Utilities Department – Water Division recommends that the Resolution to levy Special Assessments be hereby approved.

Alternative Recommendation: The City Council could decide not to lien delinquent municipal utility bills by council resolution and collect the delinquent municipal bills by another process or system.

Description of Agenda Item: Purchases, contracts and agreements
Resolution authorizing execution of Amendment No. 2 to the Professional Services Agreement with Anderson-Bogert Engineers & Surveyors, Inc. specifying an increased amount not to exceed $22,887 for engineering design services in connection with the 4th Street SE from 16th Avenue to Sinclair Basin Improvements project (original contract amount was $81,474; total contract amount with this amendment is $123,915).
CIP/DID #3018025-01

EnvisionCR Element/Goal: StrengthenCR Goal 1: Support existing and new neighborhood associations through the development of Neighborhood Action Plans.

Background: This project will extend water main into existing 4th Street SE right-of-way and includes construction of approximately 600-feet of new pavement, and related work. The project is being coordinated with the NewBo Lofts private development.

The amendment adds design services to modify the Plat of Survey for dedication of City property as City right-of-way which was previously added to the scope of services in PSA Amendment No. 1 to incorporate widening the south half right-of-way from 30 feet to 40 feet east of future 17th Avenue SE, extending the existing 60-foot wide 3rd Street SE right-of-way east from its current end to future 17th Avenue SE, and adding an 80-foot wide swath running north-south for the right-of-way of future 17th Avenue SE between 3rd Street and 4th Street SE. The consultant will revise the cross-section of the south half of 4th Street SE, east of 17th Avenue SE, to include an 8-foot wide parkway strip and 8-foot wide sidewalk and sidewalk ramps, remove the proposed streetscape plan details and specifications from the original set of construction contract documents and prepare a separate set specifically for the installation of streetscaping elements on the parkway strips of 4th Street SE, to be installed after Alliant's light poles and substantial completion of 4th Street SE roadway and sidewalks. The schedule will be modified to accommodate these changes.

Action/Recommendation: The Public Works Department recommends adoption of the resolution authorizing execution of Amendment No. 2 of the Professional Services Agreement with Anderson-Bogert Engineers & Surveyors, Inc. specifying an increased amount not to exceed $22,887.

Alternative Recommendation: Council may choose to defer on its decision, or abandon the proposed improvements added by this amendment.

Alternate Contact Person: Robert Hammond **Cell Phone Number:** 319-440-1005
E-mail Address: r.hammond@cedar-rapids.org

Description of Agenda Item: Purchases, contracts and agreements
Resolution authorizing execution of Amendment No. 16 to the Professional Services Agreement with HR Green, Inc. specifying an increased amount not to exceed $800,548 for consulting services associated with the Cedar Rapids Flood Mitigation System - West Side Phase 1 Consulting Services project (original contract price was $3,409,543; total contract price with this amendment is $31,891,723).
CIP/DID #331001-01.

EnvisionCR Element/Goal: ProtectCR Goal 1: Protect Cedar Rapids from flooding and other hazards.

Background: The City of Cedar Rapids is currently designing and implementing a Flood Control System (FCS) for the west and east sides of the Cedar River and the 8th Avenue Bridge replacement over the FCS. The FCS project will mitigate against flooding events similar to the one that occurred in 2008. This is a complicated and long-term project. Accordingly, the design contracts were intended to be amended on an annual basis for fiscal year work plans, plus during the fiscal year as component needs develop.

HR Green, Inc. is the designer for the West Side FCS. Since the last amendment to the West Side contract in January 2022, the City of Cedar Rapids has received American Rescue Plan Act (ARPA) funding as well as received favorable bids on the 16th Avenue SW Floodgate and NCSML Floodwall, the 1st Street SE Storm Sewer Improvement projects, 12th Avenue Detention Pond and Skate Park Reconstruction, Infrastructure Removal in the Northwest Neighborhood area, and the 1st Street NW/SW Flood Control System Improvements from E Avenue NW to 2nd Avenue SW. This has given the flood control program the ability to reassign and reallocate funds to further advance additional projects throughout the system, and the reason to amend our West Side contract.

This amendment makes the following additional key modifications to the west side contract during FY23 work activities:

a. Environmental Services:
    - Cedar River hydraulic modeling updates and permit coordination

b. Time Check:
    - Final design and letting services for Ellis Boulevard NW and Ellis Lane NW Tie-Off
    - FCS Floodwall and Associated Equipment Storage Building
    - Levee design from I Avenue NW to the South side of F Avenue NW
    - O Avenue Design and Construction
    - N Avenue Pump Station and 8th Street NW Detention Basin Design
    - Levee and Gatewell from Ellis Lane NW to O Avenue NW
    - Vinton Ditch from 19th Street NW to 1st Street SW

c. Kingston Village:
    - Construction services for 1st Street NW/SW and 1st Avenue W Floodwall and Roadway Re-alignment
    - Sanitary Sewer relocation from Amphitheater to 7th Avenue SW
    - Construction close-out of the Amphitheater Restrooms and Venue Building
    - Multiple design and construction stage projects associated with the 1st Street SW roadway, pedestrian, and stormwater improvements
    - Design services associated with the 8th Avenue SW Pump Station

d. Czech Village:
    - Construction Administration services for the 16th Avenue SW Floodgate and NCSML Floodwall project
    - Construction Administration services for the 12th Avenue SW Pump Station and Detention Basin
    - Ingredion Floodwall Design

Action/Recommendation: This project is in accordance with the adopted FCS Master Plan and the Public Works Department recommends adoption of Amendment No. 16 to HR Green's contract.

CIP/DID#304224-10

EnvisionCR Element/Goal: ProtectCR Goal 1: Protect Cedar Rapids from flooding and other hazards.

Background: The project will extend flood protection for the Sun Valley Neighborhood north from the existing berm located adjacent to Cottage Grove Parkway SE to mitigate potential flooding from Indian Creek. This amendment primarily includes engineering services for additional survey of the existing levee and at 3745 Cottage Grove Ave SE to explore a new alignment option for the proposed levee extension. It also includes a meeting with City staff to discuss new alignment options.

Action/Recommendation: The Public Works Department recommends adoption of the resolution authorizing execution of Amendment No. 2 of the Professional Services Agreement with HR Green, Inc. specifying an increased amount not to exceed $15,200.

Alternative Recommendation: The City of Cedar Rapids does not currently have the staff resources to design this project internally. The alternatives are to delay a project City staff is currently designing or delay the project until City Staff has the resources available to proceed with design.

CIP/DID #3012404-01

EnvisionCR Element/Goal: ConnectCR Goal 4: Improve the function and appearance of our key corridors.

Background: This project will include pavement improvements to resurface the roadway to extend the pavement life. Construction will begin in spring of 2023.

A project walkthrough was conducted with the consultant during the Intermediate Plan review. During that visit, it was discovered that the driveway culverts at 312, 372, 362, 356 East Post Road SE and at 4595 Bever Avenue SE were mostly full of sediment. Further design work is needed to consider the possibility of connecting these existing culverts to the existing adjacent storm water infrastructure. Additional project work will also include the plan design and specification for culvert cleanout and ditch grading. Additional work entails additional topographic survey data collection, and additional stormwater design.

Action/Recommendation: The Public Works Department recommends adoption of the resolution authorizing execution of Amendment No. 3 of the Professional Services Agreement with McClure Engineering Company specifying an increased amount not to exceed $6,100.

Description of Agenda Item: Purchases, contracts and agreements
Resolution authorizing execution of Amendment No. 3 to the Professional Services Agreement with Snyder & Associates, Inc. specifying an increased amount not to exceed $30,316 for engineering design services in connection with the Ellis Boulevard and 6th Street NW Connector project (original contract amount was $325,950; total contract amount with this amendment is $617,244) (**Paving for Progress**).
CIP/DID #301963-02

EnvisionCR Element/Goal: ConnectCR Goal 4: Improve the function and appearance of our key corridors.

Background: The Corridor Metropolitan Planning Organization (CMPO) has approved $1,808,000 of Surface Transportation Block Grant (STBG) funding for this project, and the City Council approved Agreement No. 6-20-STBG-SWAP-021 for this project. In addition, the Iowa DOT has approved $485,000 of Traffic Safety Improvement Program (TSIP) funding for the project.

This project will extend 6th Street NW from its terminal point north of B Avenue and connect it with the intersection of Ellis Boulevard and E Avenue. The work involves new pavement construction where road does not currently exist. We will renovate existing 6th Street NW from B Avenue to 1st Avenue. The project will also include water main extension, sidewalk, railroad crossing additions and removals, on-street bicycle facilities, roundabout construction at both E Avenue and F Avenue. The intersection of 5th Street NW and 1st Avenue will be converted to a ¾-access intersection and the traffic signal will be removed. The Union Pacific Railroad crossings at I Avenue NW, 10th Street SE, B Avenue/C Avenue NW, the pedestrian crossing between 1st Avenue E and 2nd Avenue SE, and the pedestrian crossing between 2nd Avenue and 3rd Avenue SE will be closed as a part of this project. Construction is scheduled to begin in the spring of 2022 with completion in the fall of 2023.

The amendment generally includes providing sanitary sewer material substitution recommendations, utility trench excavation and backfill material volumes, field design of storm sewer due to varying utility locates, provide estimated quantity breakdowns for sites 00, 01, and 02, street lighting location and coordination, review and provide response to the multiple contractor requests for information, and provide design modifications for the F Avenue roundabout.

Action/Recommendation: The Public Works Department recommends adoption of the resolution authorizing execution of Amendment No. 3 of the Professional Services Agreement with Snyder & Associates, Inc. specifying an increased amount not to exceed $30,316.

Description of Agenda Item: Purchases, contracts and agreements
Resolution authorizing execution of Amendment No. 19 to the Professional Services Agreement with Stanley Consultants, Inc specifying an increased amount not to exceed $1,465,000 for the Cedar Rapids Flood Mitigation System – East Side Phase 1 Consulting Services Project (original contract amount was $3,959,599; total contract amount with this amendment is $44,854,448). CIP/DID#331001-02

EnvisionCR Element/Goal: ProtectCR Goal 1: Protect Cedar Rapids from flooding and other hazards.

Background: The City of Cedar Rapids is currently designing and implementing a $750 Million Flood Control System (FCS) for 7.5 miles on both sides of the Cedar River. This includes permanent and removable floodwalls, levees, several types of roadway gates, railroad gates, stormwater pump stations, and storm water detention basins. Transportation improvements such as raising Shaver Road NE and the 8th Avenue Bridge over the Cedar River higher and above the FCS are also included as an integral part of the system. The FCS project will mitigate against flooding events similar to the one that occurred in 2008. When the river is not flooding, the FCS is intended to blend into the background and fabric of the community, by developing and including community amenities into the FCS, such as the McGrath Amphitheater, bike trails and kayak launches.

A project of this magnitude requires substantial design and programmatic coordination effort. The FCS management team is divided into 3 main consulting teams- East Side, West Side and 8th Avenue Bridge corridor and are managed by City Staff within the Public Works Department. To demonstrate the current magnitude of the work effort, the FCS team is currently designing, managing and/or tracking 65 individual projects with construction values from several hundred thousand to over twenty million dollars. The FCS project continues to ramp up.

Development of the FCS project is a complicated and long-term project, intended to last from 2014 – 2035. It is currently in its 8th year. Accordingly, it was not practical or feasible to scope out twenty years of design at the onset of the project. Instead, the design contracts were intended to be amended on an annual basis for fiscal year work plans. Additional smaller amendments during the fiscal year also occur, much like other Public Works Divisions may have. This amendment is a smaller midyear amendment to address unforeseen construction and regulatory items, which were not included in the annual professional services amendment.

Amendment 19 includes the following key modifications to the east side contract to continue construction projects progressing:

a. Overall Environmental re-evaluation of the East Side Flood Protection System
b. Cedar Lake:
    - Coordination with DNR on arsenic contaminated soil
    - Alternative construction design of Cedar Lake Levee in case a dewatering permit cannot be achieved in early 2023.
    - Additional construction administration due to construction delays
    - Redesign due to non-compliant construction (commensurate amount to be deducted from the construction contracts)
c. Downtown:
    a. Design of a parking lot raise to obtain DNR permit
d. New Bohemia
    a. Floodwalls along and under the 8th Avenue Bridge on the East side of the river
e. Cargill
    a. Design and bidding of a watermain from Cargill's new horizontal collector well to Cargill's facility. Watermain interacts with the flood system

Action/Recommendation Public Works Department recommends adoption of the resolution authorizing execution of Amendment No. 19 of the Professional Services Agreement with Stanley Consultants specifying an increased amount not to exceed $1,465,000.

Alternative Recommendation: The work is consistent with the adopted FCS Master Plan. It would be extremely difficult to switch consultants in the middle of on-going projects, particularly the construction elements of this amendment. However, the new and conceptual designs, along with some program management associated with this amendment could be outsourced to a different consultant.

Description of Agenda Item: Purchases, contracts and agreements
Authorizing execution of Change Order No. 16 in the amount of $192,550.05 with Boomerang Corp. for the 6th Street SW from 33rd Avenue to Wilson Avenue Pavement, Sidewalk and Water Main Improvements project (original contract amount was $6,684,495.60; total contract amount with this amendment is $8,152,571.69) **(Paving For Progress).**
CIP/DID #301695-03

EnvisionCR Element/Goal: ConnectCR Goal 3: Establish a network of complete streets.

Background: This is a contract change order to adjust the contract price based on the actual quantities of completed work and additional work based on contractor quotes reviewed and accepted based on the scope of work. The unit prices remain the same as originally bid and the contract price is adjusted in accordance with the provisions specified in the terms and conditions.

- Item 112: The quantity for Pavement, HMA increased due largely to the project limits expanding on the north end of the project following the overlay of 6th St from 16th Ave to 22nd Ave by city forces and additional milling to remove the remaining 0.5 to 1.5 inches of existing asphalt on the concrete between 22nd Ave and 33rd Ave due to the poor existing condition of that remaining asphalt.
- Item 127: Milling of the existing asphalt to expose the concrete surface exposed additional needed Full Depth Patching that was not evident before the existing asphalt was removed.
- Item 185: The quantity for MHA Surface Course increased due largely to the project limits expanding on the north end of the project following the overlay of 6th St from 16th Ave to 22nd Ave by city forces.
- WCD #14 -Item 8043: A design conflict was discovered between the proposed sidewalk elevations and the proposed driveway elevations at Hometown Auto that required the proposed sidewalk to be lowered. This resulted in the proposed sidewalk being below the proposed retaining wall footing. A redesigned wall shop drawing was necessary to accommodate the revised sidewalk elevations.
- Item 8044: While installing 15" RCP from structure 60 to structure 61, an unmarked fiber was discovered. After some down time, it was determined that it was a Lumen fiber that did not have a tracer line on it. Lumen had to add a tracer line. Since the line was not marked, additional hand excavation around the fiber was required to avoid damaging ii, significantly slowing progress.
- Item 8045: While installing storm sewer pipe and structures at the west intersection of 6th St SW & 27th Ave SW, the installation crew encountered several conflicts with multiple

utilities including, but not limited to, MidAmerican Energy gas, Imon fiber, and Lumen Fiber. The storm sewer crew had to reinstall the new pipe and structures at different elevations, modify the new intakes to accommodate the field adjustment6s, and use one different style of intake entirely. These changes significantly slowing progress.

- Item 8046: Structure 27 was installed per the contract documents but was very low compared to the adjacent roadway and driveway, creating a safety issue. The structure was modified on-site, expanded, and raised so additional grading could be completed to lessen the severity of the adjacent ditch slopes and mitigate the safety issue.
- Item 8047, 21, 50: While grading for new sidewalk installation an unmarked roof drain for Martin Equipment was discovered. Extension of the roof drain was necessary to maintain its outflow to the new ditch location and accommodate the placement of the new sidewalk.
- Item 8048: The existing valve to Pactiv Evergreen was leaking. When water department personnel attempted to shut the valve, the top came apart and the valve leak worsened. Water department personnel provided materials and instructed Boomerang to repair the valve. Price includes disposal and replacement of 5 loads of unsuitable backfill material.
- Item 8049: Combined concrete sidewalks with retaining walls were necessary at two locations on the project. At one location, a relocated Mediacom structure and Alliant Energy structure were too close to the proposed sidewalk and too high above to permit adequate grading. At Hometown Auto, the proposed pedestrian ramps and adjacent sidewalks are below the existing parking lot, and close enough to prevent adequate grading.
- Items 167, 8050, 8051: After wall #2 was constructed, storm events started to wash out the south end of the wall and undermine the newly paced sidewalk. Removal of 4 trees, regarding and reshaping of the existing right of way as well as creating a swale directing storm water away from the retaining wall and sidewalk, and placement of rip rap to protect the swale, wall and sidewalk were necessary to mitigate future erosion of the retaining wall and sidewalk.

Action/Recommendation: The Public Works Department recommends approval of Change Order No. 16 submitted by Boomerang Corp.

Alternative Recommendation: If Council does not approve the change order, payments due to the Contractor will accrue interest until approval of the Change Order occurs and payment is made.

EnvisionCR Element/Goal: ProtectCR Goal 1: Protect Cedar Rapids from flooding and other hazards.

Background: This is a contract change order to adjust the contract price based on the actual quantities of completed work and additional work based on contractor quotes reviewed and accepted based on the scope of work. The unit prices remain the same as originally bid and the contract price is adjusted in accordance with the provisions specified in the terms and conditions.

- WCD #6-Item 8033: An additional manhole will be installed between structures 53 and 54. This will maintain storm sewer flow during phase 2 construction. Price includes modifying the manhole and making the connection.
- Item 8034: The 8" water service for the Schimberg east building is in conflict with storm pipe fun 54. The modification will take place after hours using (4) 22-degree bends.
- Item 8035-8040, 116: All items are due to the USACE revised channel grading. Class C rip rap will be replaced with Class E and bedding stone. Also includes stream specific seed.
- Item 8041-8043: Addresses the Schimberg downspout tie-in near the parking lot.
- Item 8044: Class 20 backfill will be placed in lieu of native material along the floodwall.

.

Action/Recommendation: The Public Works Department recommends approval of Change Order No. 11 submitted by Boomerang Corp.

- During the Crack and Seat operation, the existing pavements settled more than expected. This created more volume on top of the existing pavement to fill with HMA to maintain the minimum 0.6% cross slope.
- HMA Driveways were not tabulated in the project quantities. All driveways were poured back as PCC.
- Pavement from STA 6+00 to 18+00 is found to be deteriorated much worse than the rest of the project. This area would require extensive patching. Instead of this, any loose material will be removed following the crack and seat and a HMA Surface patch will be placed. This is the most economical solution for the condition of the street.

Description of Agenda Item: Purchases, contracts and agreements
Authorizing execution of Change Order No. 6 in the amount of $39,571.95 with Midwest Concrete, Inc. for the 15th Avenue SW from 4th Street to C Street Rehabilitation project (original contract amount was $1,779,551.08; total contract amount with this amendment is $2,095,537.45) **(Paving for Progress)**.
CIP/DID #3012100-04

EnvisionCR Element/Goal: ConnectCR Goal 4: Improve the function and appearance of our key corridors.

Background: This is a contract change order to adjust the contract price based on the actual quantities of completed work and additional work based on contractor quotes reviewed and accepted based on the scope of work. The unit prices remain the same as originally bid and the contract price is adjusted in accordance with the provisions specified in the terms and conditions.

- Additional pavement panels through the project required full-depth replacement due to failures.
- WCD #3 Item 8018: Contractor completed the first stage of the project outside of the sodding window allowed by SUDAS. It was determined to stabilize the disturbed earth areas with temporary hydromulch until the fall sodding window opened.
- Three additional manholes were discovered as failing and it was determined they needed replacement. One additional working day authorized for each SW-406 manhole constructed. A total of 3 working days are authorized for this item with this WCD.
- Two Intakes were discovered in conflict with a high-pressure gas main. It was determined to modify the standard intake dimensions of the two intakes to allow for the intakes to be installed. Two working days authorized for each SW-501 modified constructed. A total of four working days are authorized for this item with this WCD.
- Due to the nature of Item 8019 (Manhole SW-406), two SW-501 intakes were not installed on the project.

Action/Recommendation: The Public Works Department recommends approval of Change Order No. 6 submitted by Midwest Concrete, Inc.

Alternative Recommendation: If Council does not approve the change order, payments due to the Contractor will accrue interest until approval of the Change Order occurs and payment is made.

Description of Agenda Item: Purchases, contracts and agreements
Authorizing execution of Change Order No. 4 in the amount of $45,237.22 with Tschiggfrie Excavating Co. for the Lindale Trail Phase 1 From Council Street to East of C Avenue NE project (original contract amount was $2,553,646.76; total contract amount with this amendment is $2,657,360.08).
CIP/DID #325071-02

EnvisionCR Element/Goal: ConnectCR Goal 1: Provide choices for all transportation users: inter- and intra-city.

Background: This is a contract change order to adjust the contract price based on the actual quantities of completed work. The unit prices remain the same as originally bid and the contract price is adjusted in accordance with the provisions specified in the terms and conditions.

- 0020: Contractor had to excavate, expose, and lower private utilities behind 370 Blairs Ferry Rd NE that were not shown on the plans.
- 0030: Contract documents did not include modified subbase under PCC paver base for decorative paver areas.
- 0710: Contractor installed two additional PDMS boards for the traffic switch from Stage I to Stage II of the box culvert construction. Due to the jointing layout of the precast boxes, traffic needed to be shifted further North which required a reduced speed taper. The reduced speed and taper was advised to the travelling public via these PDMS boards.
- 8005: Contractor had to remove and reinstall light pole and luminaire in order to construct the proposed retaining wall at Sta. 109+50 along the trail. The excavation required for the installation of the retaining wall would have destabilized the light pole and its foundation.
- 8006: Contractor had to remove sections of Collins daycare pavement in order to excavate the necessary distance behind the proposed retaining wall at Sta. 109+50 for backfill and drainage.
- 8007: Contractor had to remove and reinstall one (1) steel shade structure and one(!) utility shed within the excavation limits of the proposed retaining wall at Sta. I 09+50 for construction, backfill, and drainage.
- 8008: Contractor had to install and remove a temporary construction fence from Sta. 109+30 to 110+40 to protect the nearby business (Collins Daycare) from ongoing construction activity.

- 8009: Contractor replaced PCC pavement and PCC Curb & Gutter along the back of the retaining wall removed previously from Item 8006. Concrete was 7" thick with integral PCC Curb & Gutter.
- 8010: Contractor had to place 6" of modified subbase beneath the PCC paver base. Sheet D.17. The contract documents do not indicate that this modified subbase is incidental to the concrete brick pavers.
- 8011: Added 15.93 Ton of Macadam stone base for a section of soft trail subgrade that was unsuitable.
- 8012: No existing subdrain was found behind the back of curb on the North side of Blairsferry Road NE. Contractor daylighted subdrain out on each side to the north with aprons included.
- 80 l3: Contract documents do not indicate where the two subdrains, one on each side of the box culvert, are supposed to drain to. It was determined to connect the new subdrain into storm sewer structures INT-302 and fNT-303. Also discovered an additional field tile line not shown on the plans and made a connection to the P-400 line for drainage.
- 8014: The fire hydrant constructed at Sta. 149+20 required an 18" extension in order for the base of the hydrant to be at finished grade elevation.
- 80 l 5: An area intake at Sta. 500+60 was found in conflict within the limits of the trail. Item includes removing existing intake casting and structure, connecting the two intersection storm pipes, pouring concrete collar connections, and backfilling. Method of measurement will be by each. Method of payment will be by each.
- 8016: Added an 8 LF Rock check darn on the North side of Blairsferry Road NE along the temporary pavement area to control any storm water run-off and prevent sediment from leaving the project.
- 8017: Added 184 LF of silt fence installed along the north project limits abutting a private homeowners association community in order to protect the adjoining property and keep sediment from leaving the project limits.
- 8018: Removed a large concrete footing for old RCP apron that was not shown on the plans at JCT-702.
- 8019: Discovered an existing active field tile at Sta. 138+40. Connected new subdrain line to this existing field tile line for proper drainage.

Action/Recommendation: The Public Works Department recommends approval of Change Order No. 4 submitted by Tschiggfrie Excavating Co.

Alternative Recommendation: If Council does not approve the change order, payments due to the Contractor will accrue interest until approval of the Change Order occurs and payment is made.

Description of Agenda Item: Purchases, contracts and agreements
Amending Resolution 1635-10-22 approving the Joint Funding Agreement with the United States Department of the Interior – U.S. Geological Survey for the period of October 26, 2022 through September 30, 2023. This amendment corrects the total value of the scope of work from $320,000 to $404,000. The value is divided 60/40 with the USGS providing $160,480 in matching funds and the City providing the balance of $243,520. The City's share will be divided between operating budgets of the Water Division, Water Pollution Control Division, and the Sewer Division ($231,466 to be provided by the Water Division, $9,040 to be provided by the Water Pollution Control Division, and $3,014 to be provided by the Sewer Division).
CIP/DID #621011-22

EnvisionCR Element/Goal: ProtectCR Goal 3: Maintain and provide quality services to the community.

Background: Since 1992, the Utilities Department Water Division and the USGS have conducted an ongoing cooperative study to evaluate the hydrogeology and water quality of the Cedar River and the alluvial aquifer that supplies all of our drinking water wells along the river. The river is the ultimate source of the vast majority of the recharge to these wells.
the City.

The agreement provides for the following:

1) Operation and maintenance of stream gauge on the Cedar River at Blairs Ferry Road near Palo.

2) Operation and Maintenance of stream gauge on the Cedar River below Indian Creek at Cedar Rapids.

3) Assessment of water availability and quality from the Cedar River alluvial aquifer.

4) Installation of a monitoring well to provide for real time alluvial water quality information.

This amendment corrects the total amount from $320,000 to $404,000.

Action/Recommendation: The Utilities Department recommends that the City Council approve the Joint Funding Agreement and authorize the City Manager and City Clerk to execute said agreement.

Alternative Recommendation: If the Agreement is not approved by City Council, there would be a reduction or elimination of the on-going research relative to the Utilities Department Water Division well fields, wetlands and major portions of research pertaining to the Cedar River watershed.

Time Sensitivity: Action requested November 8, 2022.

Resolution Date: 11-08-2022

Budget Information: The funding is included in the annual operating budgets of the Utilities Department Water Division and Water Pollution Control Division, and the Public Works Department Sewer Division. The total cost to Cedar Rapids is $243,520: $3,014 will be funded through 521108-671-671000; $9,040 will be funded through 521108-611-611004. $231,466 will be funded through 521104-621-621011.

Description of Agenda Item: Purchases, contracts and agreements
Resolution authorizing execution of a Memorandum of Agreement for Relocation of Utilities and Facilities in an amount estimated to be $555,582 with the Department of the Army for the necessary City utility relocations in the City right-of-way and City-owned property located at 10th Avenue NE in connection with the Cedar River, Flood Risk Management Project – Reach 1 – Upstream Tie-off Flood Wall Contract Project.
CIP/DID #3314200-00

EnvisionCR Element/Goal: ProtectCR Goal 1: Protect Cedar Rapids from flooding and other hazards.

Background: On November 27, 2018, the City of Cedar Rapids, Iowa (City) and Department of the Army – United States Army Corps of Engineers (USACE) executed the Project Partnership Agreement (PPA) to develop and proceed with the project.

As the non-Federal Sponsor, the City is required to remove or relocated facilities within the Flood Control System footprint. The City owns storm sewer and sanitary sewer within the right-of-way that needs to be relocated as a requirement of the project. The PPA allows for USACE and their contractor to relocate utilities on behalf of the City, these improvements include storm sewer and sanitary sewer. The project requires the City to issue payment to USACE prior to contract solicitation. The relocation costs are estimated to be $555,582 for the relocation of City utilities and facilities. USACE also requires the City to sign the Memorandum of Agreement before USACE executes the agreement.

Action/Recommendation: The Public Works Department recommends adopting the resolution authorizing execution of the Memorandum of Agreement for Relocation of Utilities and Facilities in an amount estimated to be $555,582 with the Department of the Army.

Alternative Recommendation: Do not proceed with the Memorandum of Agreement for Relocation of Utilities and Facilities and abandon or reconfigure the Flood Control System.

Description of Agenda Item: Purchases, contracts and agreements
Resolution authorizing execution of the Utility Subordination Agreement, Addendum to the Utility Subordination Agreement and the Purchase Agreement in the amount of $1,000 from ITC Midwest LLC, for an easement on vacant land located east of 901 4th Street SE in connection with the Cedar River, Flood Risk Management Project – Reach 1 – Cedar Lake Levee project.
CIP/DID #3314200-00

EnvisionCR Element/Goal: ProtectCR Goal 1: Protect Cedar Rapids from flooding and other hazards.

Background: On November 27, 2018, the City of Cedar Rapids, Iowa (City) and Department of the Army – United States Army Corps of Engineers (USACE) executed the Project Partnership Agreement for the Cedar River, Cedar Rapids, Iowa, Flood Risk Management Project.

As the non-Federal Sponsor the City is required to subordinate all facilities within the Flood Control System footprint. ITC Midwest LLC was granted an easement dated December 20, 2007, recorded in Book 6872 Page 469. The easement is within the Flood Control System footprint requiring subordination to the Flood Control System. The Utility Subordination Agreement and Addendum to the Utility Subordination Agreement subordinates the original easement.

Action/Recommendation: The Public Works Department recommends adopting the resolution authorizing execution of the Utility Subordination Agreement, Addendum to the Utility Subordination Agreement and the Purchase Agreement in the amount of $1,000 from ITC Midwest LLC, a Michigan limited liability company.

Alternative Recommendation: This is a requirement by USACE for the Flood Control System, the City would need to relocate the facilities at the City's cost if this agreement is not accepted.

Description of Agenda Item: Purchases, contracts and agreements
Affidavit for Service Line Reimbursement from Heather L. Matheny, property owner, to reimburse the City on a monthly installment basis for the replacement of the water service line at 1714 C Avenue NE.

CIP/DID #WTR110822-00

Routine business - EnvisionCR Does not apply

Background: In the Cedar Rapids Municipal Code, Chapter 12 – Water Service, 12.14 - Installation of Service Pipes, it states that the property owners are responsible for service pipes and fixtures from the street water/sewer main to the premises including the corporation.

When these service pipes or lines need to be replaced or repaired, it is the property owners' responsibility to hire a licensed plumber to make such repairs.

In extenuating circumstances, the Utilities Department – Water Division assists property owners with the service line replacement. In those cases, the Water Division obtains pricing, pays for the service, and allows the property owners to repay the Utilities Department in monthly installments. Heather L. Matheny, owner of the property at 1714 C Avenue NE, has requested that the Utilities Department – Water Division help her replace the water service line to her property.

The Utilities Department received quotes for the water service line replacement and Brecke Mechanical Contractors submitted the low quote of $3,000. Heather L. Matheny has executed an Affidavit agreeing to reimburse the Utilities Department for the water service line replacement fee on a monthly installment basis for 60 months at an interest rate of 7% per annum. Her minimum monthly payments will be $60.00.

Failure to reimburse the Utilities Department for these costs in a timely manner may result in the termination of water service to this property and/or the imposition of a lien upon the property as provided for in accordance with Chapter 12 (Water Service) of the Cedar Rapids Municipal Code and in accordance with Sections 384.84 and 384.93 of the Code of Iowa.

Action / Recommendation: The Utilities Department recommends that the Resolution accepting the Affidavit for Service Line Reimbursement be hereby approved and the City Clerk's office be directed to record said Affidavit with the Linn County Recorder.

Alternative Recommendation (if applicable): The City Council could decide not to accept the Affidavit for Service Line Reimbursement and the property owner would need to find other financing or be without water service.

Description of Agenda Item: REGULAR AGENDA
Presentation and Resolution authorizing the use of $4,900,000 in American Rescue Plan Act funding for Westside Flood Control Project for Ellis Boulevard NW Reconfiguration Project and $2,500,000 for creation of 25 affordable housing units at 1500 2nd Avenue SE (Jennifer Pratt). CIP/DID # CD-0074-2021

EnvisionCR Element/Goal: StrengthenCR Goal 4: Create a city that is affordable and accessible to all members of the community.

Background: The Resolution authorizes $4,900,000 allocation for the Westside Flood Control – Ellis Boulevard Reconfiguration Project. The project consists of construction of the North end levee tie off at Ellis Lane and Ellis Boulevard NW, as well as the relocation and reconstruction of Ellis Boulevard up and over the levee tie-off. This project also includes the reconfiguration of Ellis Park parking lot, truncating 8th Street NW to a cul-de-sac north of Q Avenue NW, and construction of a detention basin west of 8th Street NW.

Flood control is consistently a top concern of Cedar Rapids residents and vital to the long-term sustainability of our community. The ARPA funds provide more equity, as the Eastside Flood Control projects qualified for U.S. Army Corps of Engineers funding. The $4,900,000 allocation, along with previous allocation of $5,100,000 for the O Avenue project, will speed up the construction on the Westside and increase the resiliency to future high-water events.

This Resolution also authorizes $2,500,000 allocation for costs associated with the renovation to the former Colonial Building. The building, located at 1500 2nd Ave SE, was purchased by the City in December of 2021, with the intention to renovate the previously vacant office building into 25 affordable housing units.

The City has secured approximately $2,600,000 between two grants through the Department of Housing and Urban Development (HUD) for the acquisition and rehabilitation, with cost estimates for the project totaling $5,100,000. Once the renovation is complete, a request for proposals will be issued to transfer the ownership and management of the property to another entity. A lien will be placed on the property during the affordability period to secure this investment.

The ARPA funding provides relief to state and local governments. Each city with over 50,000 residents receives the funding directly from the U.S. Department of Treasury. The City of Cedar

Rapids will receive a total of $28,190,765 in two equal payments, based on the existing Community Development Block Grant (CDBG) federal formula. This is the same formula used to calculate our annual CDBG and HOME Entitlement awards.

The City will focus on the following eligible activities for use of the funds, as follows:

1. Address negative economic impacts
2. Replace public sector revenue loss
3. Water and sewer infrastructure; and

Across all eligible activities, the emphasis of the ARPA funding is on serving low-income and socially vulnerable communities that experienced the impact of the pandemic more severely. It is also on increasing community resiliency in a new reality with issues such as climate change.

The City has been conducting on-going outreach throughout the COVID-19 pandemic, including regular meetings with LAP-AID (Linn Area Partners Active in Disaster) since spring, 2020. Most recently, the City worked with Linn County and United Way to conduct the Community Impact Survey. The City also completed over 1,000 door-to-door surveys to confirm the needs of households in the predominately low-to-moderate income neighborhoods most impacted by derecho damage.

Based on all of these outreach efforts and the resulting data, the City is aligning the ARPA funding with these identified local needs. These fall into four general categories of needs, as described below:

1. Affordable Housing and Social Services
   PATCH Program, Westside Library/Opportunity Center, and competitive proposal process for local housing/social service providers.
2. Workforce Training/Education
   Investment in workforce development to address the largest obstacle for businesses - lack of qualified workforce
3. Westside Flood Control System
   Speed up construction of a Westside project to increase resiliency on the Westside and improve equity, as the eastside qualifies for Army Corps of Engineers funding.

Funding of these activities will benefit the most people, and those who need it most. Funding will also be directed to significant investments that result in long-term improvement and avoid on-going increased operational costs. Finally, we are committed to working in tandem with Linn County to coordinate funding of projects, in order to maximize the resources.

Alternative Recommendation: City Council may table and request additional information.

RESOLUTION NO. LEG_NUM_TAG

WHEREAS, the City of Cedar Rapids has been awarded $28,190,765 in American Rescue Plan Act (ARPA) funding through the U.S. Department of Treasury; and

WHEREAS, the first of two equal payments of $14,095,382.50 was received by the City in June 2021, and the final payment will be made available to the City twelve months later; and

WHEREAS, the ARPA funding is provided to state and local governments to continue to support the public response to the COVID-19 pandemic and lay the foundation for a strong and equitable economic recovery; and

WHEREAS, the City will focus on addressing the negative economic impacts through affordable housing, social services, workforce initiatives, and Westside Flood Control; and

WHEREAS, the City Council of Cedar Rapids has determined an allocation of $4,900,000 for the Westside Flood Control – Ellis Boulevard NW Reconfiguration Project will provide more equity with the Eastside Flood Control projects that qualify for U.S. Army Corps of Engineers funding, speed up project completion to provide connectivity within the Northwest Neighborhood during future Westside flood control project construction, and increase the community's resiliency to future high water events; and

WHEREAS, the City Council of Cedar Rapids has further determined an allocation of $2,500,000 for the renovation to the City-acquired vacant office building, formerly known as the Colonial Building, located at 1500 2nd Avenue SE, for the creation of 25 affordable housing units;

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CEDAR RAPIDS, IOWA, that the City Manager, or his designees, are authorized to allocate $4,900,000 to the Westside Flood Control – Ellis Boulevard NW Reconfiguration Project and $2,500,000 to the creation of 25 affordable housing units at 1500 2nd Avenue SE with funding from the American Rescue Plan Act.

Description of Agenda Item: ORDINANCES – Second and possible Third Readings
Second and possible third readings regarding a change of zone from Suburban Residential Low Single Unit (S-RL1) to Suburban Residential Low Flex (S-RLF), as requested by OFB LLC.

CIP/DID: #RZNE-033236-2022

EnvisionCR Element/Goal: GrowCR Goal 1: Encourage mixed-use and infill development.

Background: The applicant requested a change of zone from Suburban Residential Low Single Unit (S-RL1) to Suburban Residential Low Flex (S-RLF).

The rezoning request was reviewed by the City Planning Commission (CPC) on October 21, 2022. CPC recommended approval five in favor and one against with a recommended condition to limit building height to two and a half (2 ½) stories tall. Prior to the City Council meeting, the applicant requested the Council also consider the rezoning without CPC's recommendation.

The public hearing and first reading of the ordinance were held on October 25, 2022 where staff submitted two voting options – approve with CPC's condition and approve without the condition. Staff noted that without CPC's condition, building height would be limited to 35 feet, which is permitted in both the existing S-RL1 and proposed S-RLF zoning districts. A restriction on the number of stories, which is not mandated in any residential district, could also result in restricting density (dwelling units per acre) to less than otherwise permitted in either existing or proposed zoning district.

Staff recommended approval without CPC's condition, because the maximum building height of 35 feet is permitted regardless of the number of stories. City Council approved the rezoning request in the first reading without CPC's condition unanimously.

The site plan is conceptual at this time and may change. Alternatives requested by the applicant must generally conform to the defining features reviewed, which can be summarized as the following:

- 6 four-plex units arranged around a public or private street with a cul-de-sac.

Alternatives generally following this defining characteristic would be found consistent.

Action/Recommendation: City staff recommends an affirmative vote on the second and third readings of the ordinance.

Alternative Recommendation: City Council may table and request further information.

Description of Agenda Item: ORDINANCES – Second and possible Third Readings
Second and Possible Third Reading to consider a change of zone for property located at 1017 12th Avenue SW from T-IM, Traditional Industrial Mixed-Use District, to P-IN, Public-Institutional District, as requested by Linn County.

CIP/DID: #RZNE-033210-2022

EnvisionCR Element/Goal: StrengthenCR Goal 4: Create a city that is affordable and accessible to all members of the community.

Background:
Linn County has acquired a former Alliant Energy building and adjacent parcel for the purpose of storage and use as the metro areas annual overflow shelter which will operate during the cold weather months each year. The rezoning is necessary to permit the site for use as an Emergency Residential Shelter.

This request was reviewed by the City Planning Commission on October 6, 2022 and recommended for approval by a vote of (5) Ayes, (1) Nay. Three objectors were present at the meeting. The recommendation for approval comes with two conditions requested by staff, the first requiring sidewalk installation by the end of 2023, and the second limiting potential future uses of the property.

City Council approved the change of zone on its first reading at the October 25 meeting. Two additional readings of the Ordinance by City Council are required by State law before approval of the rezoning is final.

Action/Recommendation: City staff recommends adopting the ordinance on its 2nd and 3rd and final reading.

Description of Agenda Item: ORDINANCES – Second and possible Third Readings
Second and Possible Third Reading of an ordinance to consider a change of zone from S-RLF, Suburban Residential Low Flex District, to S-RLF-PUD, Suburban Residential Low Flex District with a Planned Unit Development Overlay, for property at 2200-2231 Sierra Circle NE as requested by Sierra Development, Inc

CIP/DID: #RZNE-033296-2022

EnvisionCR Element/Goal: StrengthenCR Goal 4: Create a city that is affordable and accessible to all members of the community.

Background: A public hearing was held on October 25 to consider establishing a Planned Unit Development (PUD) overlay for the Sierra Court 2nd Addition in northeast Cedar Rapids. The proposed PUD will modify the minimum setbacks to permit flexibility for development of the site. The following exceptions and modifications to the underlying S-RLF zone district are proposed with this ordinance:

1. Required front yard setback shall be reduced to 10 feet
2. Required rear yard setback shall be reduced to 10 feet
3. Required street side yard setback shall be reduced to 10 feet
4. Required interior side yard setback shall be reduced to 3 minimum and 8 feet combined
5. The minimum lot size for single unit detached homes shall be reduced to 4,000 sq ft.
6. All driveways shall be constructed to maintain a minimum length of 20 feet beyond the public sidewalk to prevent parked cars from blocking pedestrian access through the development.

This case was be heard by the City Planning Commission on October 6 and recommended for approval. No objectors were present at the meeting. City Council adopted the ordinance on its first reading at the October 25th meeting.

Action/Recommendation: Staff recommends adoption of the Ordinance as presented on its second and third and final readings.

Alternative Recommendation: City Council may table and request further information.

Description of Agenda Item: ORDINANCES – Second and possible Third Readings
Second and Possible Third Reading to consider amending Ordinance 016-22 to modify conditions of approval to permit the construction of detached single unit homes without a site plan for property at 1860 Edgewood Dr NW as requested by Clarice Murphy.

CIP/DID: #RZNE-032701-2022

EnvisionCR Element/Goal: StrengthenCR Goal 4: Create a city that is affordable and accessible to all members of the community.

Background: This request was reviewed by the City Planning Commission on October 6, 2022 and unanimously recommended for approval. City Council approved the amended condition unanimously at its October 25 meeting.

The modification is at the request of the property owner, who is looking to market the land for sale. Earlier this year the City Council approved a zone change for the land for a multi-unit development, conditioning the rezoning on the site plan provided. This action will permit sale of the land for one or more single unit homes without requiring the site to follow a site plan adopted by ordinance. Any development on the site will follow the City standards, which would include approval of a plat for creation of multiple parcels.

Two additional readings of the Ordinance by City Council are required by State law before approval of the rezoning is final.

ORDINANCE NO. LEG_NUM_TAG

AN ORDINANCE AMENDING ORDINANCE NO. 016-22 TO MODIFY CONDITIONS OF APPROVAL TO PERMIT THE CONSTRUCTION OF DETACHED SINGLE UNIT HOMES WITHOUT A SITE PLAN FOR PROPERTY AT 1860 EDGEWOOD DR NW.

WHEREAS, on April 26, 2022 Ordinance No. 016-22 was adopted granting a change of zone for property at 1860 Edgewood Drive NW from S-RLL, Suburban Residential Large Lot district and A-AG Agriculture district to S-RMF, Suburban Residential Medium Flex district, and

WHEREAS, Condition 1 of the adopted Ordinance No. 016-22 requires that site development generally conform to the proposed site layout, housing types, and number of units proposed in the site plan provided by the applicant, and

WHEREAS, the property owner wishes to modify the condition to permit the construction of single unit detached homes

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CEDAR RAPIDS, IOWA as follows:

Section 1. That Ordinance No. 016-22 is hereby amended by the deletion of Section 2.1 and the adoption a new Section 2.1 as follows:

1. Development of any two-unit, single unit attached, multi-unit residential or non-residential uses on the Site shall generally conform to the proposed site layout, housing types, and number of units proposed, as determined by Development Services. Single unit detached homes may be developed on the Site in any manner that is in conformance with the requirements of Chapter 32 – Zoning, Chapter 31 – Subdivisions, and all other codes and standards adopted by or applicable to the City of Cedar Rapids.

Section 2. That this Ordinance shall be in full force and effect from and after its passage and publication as provided by law.

Description of Agenda Item: ORDINANCES – Second and possible Third Readings
Ordinance naming a private frontage road IBEW Court NE, beginning at C Avenue NE approximately 240 feet north of Blairs Ferry Road NE and continuing easterly approximately 500 feet, as requested by IBEW Local 1362 Bldg Corp.
CIP/DID #STREET-033281-2022

EnvisionCR Element/Goal: ConnectCR Goal 4: Improve the function and appearance of our key corridors.

Background: A frontage road reservation and utility easement was platted with I.B.E.W. 1st Addition. The IBEW union hall is addressed off of C Avenue NE and it sits back far enough that you don't see it, therefore they have submitted a request to name the frontage road and change their address. The utility easement will be maintained.

This council agenda item is the second and possible third reading of the Ordinance to consider naming the private frontage road IBEW Court NE. Per the requirements of City Ordinance No. 073-02, Section 33D.07 3. (c) of the Municipal Code (Procedures for Renaming Existing Streets), a public hearing will be held during a City Council meeting to consider naming the street. Per Section 33D.07 3. (d), the application, including any written or public comment from the public hearing, will then be forwarded to City Staff of various departments or divisions for review and comment.

Action/Recommendation: City staff recommends an affirmative vote on the second and third reading of the ordinance.

ORDINANCE NO. LEG_NUM_TAG

AN ORDINANCE NAMING A PRIVATE FRONTAGE ROAD IBEW COURT NE, BEGINNING AT C AVENUE NE APPROXIMATELY 240 FEET NORTH OF BLAIRS FERRY ROAD NE AND CONTINUING EASTERLY APPROXIMATELY 500 FEET

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CEDAR RAPIDS, IOWA as follows:

Section 1. Findings of the City Council of the City of Cedar Rapids, Iowa:

a. The City of Cedar Rapids Public Works Department recommends naming a private frontage road in accordance with the requirements of Section 3. (b) of Ordinance No. 073-02 pertaining to renaming existing streets.
b. The City of Cedar Rapids Public Works Department recommends naming the frontage road IBEW Court NE, beginning at C Avenue NE approximately 240 feet north of Blairs Ferry Road NE and continuing easterly approximately 500 feet.
c. The existing utility easement will remain as platted.
d. Per Section 33D.07 3. (b) of Ordinance 073-02, one property has been identified fronting the above-described portion of proposed IBEW Court NE.
e. The adjoining property owner(s) have no objections to the City concerning the proposed street renaming.
f. As required by Section 33D.07 3. (c) of said Ordinance 073-02, a public hearing was held October 25, 2022, to consider naming the street as noted. No objections were received by the City.
g. As required by Section 33D.07 3. (d) of said Ordinance 073-02, the application and public input were considered by the City Staff Review Committee (now known as the City Development Services Department) on October 13, 2022, including a recommendation to City Council supporting the proposed street name. Any objections filed against the street name proposed are superseded by support of the City Council.

Section 2. That the private frontage road beginning at C Avenue NE approximately 240 feet north of Blairs Ferry Road NE and continuing easterly approximately 500 feet be named IBEW Court NE,

Section 3. That the City Clerk shall certify and file this ordinance with the Linn County Recorder and Linn County Auditor and place on file with the City of Cedar Rapids Finance Director, the City Public Works Department, the Development Services Department, the Community Development Department, the City Solid Waste and Recycling Division, the City
