The following questions and/or clarifications were asked relative to the above-listed Request for Bid. This memo is sent for clarification to all companies to whom the bid was sent.

**Question:** What gauge are you looking for on these signs?

**Answer:** .080

**Question:** Are all the signs aluminum? If so, what gauge?

**Answer:** Yes, .080

**Question:** Are the street name blanks bare aluminum or sheeted blanks? If sheeted, is it single faced or double?

**Answer:** Sheeted, single faced

**Question:** Are all signs to be .080 gauge aluminum in thickness?

**Answer:** Yes

**Question:** Are any of the Type XI signs/faces to be Fluorescent Yellow or Fluorescent Yellow/Green in color or just standard XI yellow?

**Answer:** School and Ahead and arrow for school will be Fluorescent Yellow Green and Ped Warning

**Question:** Are any of the construction signs that are Type XI standard orange or fluorescent orange? EG. "Road Work Ahead"

**Answer:** Standard Orange

**Question:** Are the street name signs all printed on one side only?

**Answer:** Yes, single sided

**Question:** So you have a bid tabulation from the previous bid on this?

**Answer:** This has not been bid in the past

**Question:** The specs for the street markers in this bid do not match what we usually do for you. So you want them as spec'd in bid?

**Answer:** Yes

**Question:** We tend to sheet the street markers in DGC white and the City buys electrocut film from us and puts the street names on them. In that what are you looking for or do you want us to bid the street names on these applied by us?

**Answer:** We are getting away from making signs in our shop and are looking for the sign completed by the Vendor other than when we order faces to use up our aluminum stock.

---

**Question:** I did not see any quantities on some items. Would I be including those in the bid as well?

**Answer:** Provide quote for 1 per each size where no quantity is listed for contract pricing. City does not have an estimated quantity to purchase.

**Question:** We are able to produce the actual street blades as well, unless you guys do that there.

**Answer:** The street blades should be included in the price for complete sign and we have some blanks in inventory that we want to use up so that is the reason for getting pricing for faces only.
